The Registrar shall indicate on the Series 2002E Bonds the date of their authentication as provided in Section 2.05 hereof. Interest on the Series 2002E Bonds shall be payable from the interest payment date next preceding the date of authentication to which interest shall have been paid, unless such date of authentication is an interest payment date, in which case from such date if interest has been paid to such date; provided, however, that interest shall be payable on the Series 2002E Bonds from November 1, 2002, if the date of authentication is prior to the first interest payment date therefor. Interest on the Series 2002E Bonds shall be payable on the interest payment dates therefor to the registered Owner as of the close of business on the fifteenth (15) day (whether or not a Business Day) next preceding the respective interest payment date (the "Record Date"), such interest to be paid by the Paying Agent by check mailed to the registered Owner at such Owner's address as it appears on the books of registry required to be kept by the Registrar pursuant to the Indenture or by wire transfer of immediately available funds to the account specified by the Owner of at least \$1,000,000 aggregate principal amount of Series 2002E Bonds in a written direction received by the Paying Agent at its office designated for such purpose on or prior to the applicable Record Date;

provided, however, that upon redemption of any Series 2002E Bond, the accrued interest payable upon redemption shall be payable at the office of the Paying Agent designated for such purpose, upon presentation and surrender of such Series 2002E Bond, unless the redemption date is an interest payment date, in which event the interest on such Series 2002E Bond so redeemed shall be paid by the Paying Agent as aforesaid. Any such direction shall remain in effect until revoked or revised by such Owner by an instrument in writing delivered to the Paying Agent.

The principal or Redemption Price of and interest on the Series 2002E Bonds shall also be payable at any other place which may be provided for such payment by the appointment of any other paying agent or paying agents as permitted by the Master Indenture.

The foregoing provisions of this subsection (d) shall be subject to the provisions of subsection (f) of this Section.

The principal of and premium, if any, and interest on the Series 2002E Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

Interest on overdue principal of and, to the extent lawful, on overdue premium and interest on the Series 2002E Bonds will be payable at the respective rates on such Series 2002E Bonds. Payment of defaulted interest will be made to the Owners of record on the fifth (5th) day (or if such day is not a Business Day, then the next preceding Business Day) immediately preceding the payment thereof.

(e) Registrar and Paying Agent. The Trustee is hereby appointed as the initial Registrar and initial Paying Agent for the Series 2002E Bonds. The Department may appoint additional or different Paying Agents and a different Registrar for the Series 2002E Bonds as provided in the Master Indenture and, if so, references herein to the Paying Agent and Registrar shall be deemed also to include such additional Paying Agents or Registrar, as the case may be.

(f) Securities Depository. The Series 2002E Bonds when initially issued shall be registered in the name of Cede & Co., as nominee of DTC, in the form of one or more fully registered Bonds for each maturity of the Series 2002E Bonds. DTC is hereby appointed initial Securities Depository for the Series 2002E Bonds, subject to the provisions of subsection (g) of this Section. So long as DTC or its nominee, as Securities Depository, is the registered owner of Series 2002E Bonds, individual purchases of beneficial ownership interests in such Series 2002E Bonds may be made only in book-entry form by or through DTC participants, and purchasers of such beneficial ownership interest in Series 2002E Bonds will not receive physical delivery of bond certificates representing the beneficial ownership interests purchased.

So long as DTC or its nominee, as Securities Depository, is the registered owner of Series 2002E Bonds, payments of principal of and premium, if any, and interest on such Series 2002E Bonds will be made by wire transfer to DTC or its nominee, or

otherwise as may be agreed upon by the Department, the Trustee, the Paying Agent and DTC. Transfers of principal, premium, if any, and interest payments to DTC participants will be the responsibility of DTC. Transfers of such payments to Beneficial Owners of Series 2002E Bonds by DTC participants will be the responsibility of such participants and other nominees of such Beneficial Owners.

So long as DTC or its nominee, as Securities Depository, is the registered owner of Series 2002E Bonds, the Department shall send, or cause the Registrar to send, or take timely action to permit the Registrar to send, to DTC notice of redemption of such Series 2002E Bonds and any other notice required to be given to registered owners of Series 2002E Bonds pursuant to the Indenture, in the manner and at the times prescribed by the Indenture, except as may be agreed upon by the Department, the Registrar, the Trustee (if applicable) and DTC.

Neither the Department nor any Fiduciary shall have any responsibility or obligation to the DTC participants, Beneficial Owners or other nominees of such Beneficial Owners for (1) sending transaction statements; (2) maintaining, supervising or reviewing, or the accuracy of, any records maintained by DTC or any DTC participant or other nominees of such Beneficial Owners; (3) payment or the timeliness of payment by DTC to any DTC participant, or by any DTC participant or other nominees of Beneficial Owners to any Beneficial Owner, of any amount due in respect of the principal of or redemption premium, if any, or interest on Series 2002E Bonds; (4) delivery or timely delivery by DTC to any DTC participant, or by any DTC participant or other nominees of Beneficial Owners to any Beneficial Owners, of any notice (including notice of redemption) or other communication which is required or permitted under the terms of the Indenture to be given to holders or owners of Series 2002E Bonds; (5) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of Series 2002E Bonds; or (6) any action taken by DTC or its nominee as the registered owner of the Series 2002E Bonds.

Notwithstanding any other provisions of this Third Supplemental Indenture to the contrary, the Department, the Trustee, the Co-Trustee, the Registrar and any Paying Agent shall be entitled to treat and consider the person in whose name each Series 2002E Bond is registered in the books of registry as the absolute owner of such Bond for the purpose of payment of principal, Redemption Price, and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal and Redemption Price of and interest on the Series 2002E Bonds only to or upon the order of the respective Owners, as shown in the books of registry as provided in this Third Supplemental Indenture, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Department's obligations with respect to payment of principal and Redemption Price and interest on the Series 2002E Bonds to the extent of the sum or sums so paid.

Notwithstanding any other provisions of this Third Supplemental Indenture to the contrary, so long as any Series 2002E Bond is registered in the name of

Cede & Co., as nominee of DTC, procedures with respect to the transfer of ownership of, redemption of, and payment of principal and Redemption Price of, premium, if any, and interest on such Series 2002E Bond, shall be in accordance with arrangements among DTC, the Department, the Paying Agent and, if applicable, the Trustee.

Payments by the DTC participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such DTC participant and not of DTC, the Trustee, the Registrar, the Paying Agent or the Department, subject to any statutory and regulatory requirements as may be in effect from time to time.

The Department may establish a record date for purposes of notification of and consents from participants of DTC in connection with any amendment or proposed amendment of the Indenture or otherwise.

Provisions similar to those contained in this subsection (f) may be made by the Department in connection with the appointment by the Department of a substitute Securities Depository, or in the event of a successor to any Securities Depository.

Authorized Officers are hereby authorized to enter into such representations and agreements as they deem necessary and appropriate in furtherance of the provisions of this subsection (f).

(g) Replacement Bonds. The Department shall issue Series 2002E Bond certificates (the “Replacement Bonds”) directly to the Beneficial Owners of the Series 2002E Bonds, or their nominees, in the event that DTC determines to discontinue providing its services with respect to such Series 2002E Bonds, at any time by giving notice to the Department, and the Department fails to appoint another qualified Securities Depository to replace DTC. In addition, the Department also shall issue Replacement Bonds directly to the Beneficial Owners of the Series 2002E Bonds, or their nominees, in the event the Department discontinues use of DTC as Securities Depository at any time upon determination by the Department, in its sole discretion and without the consent of any other person, that Beneficial Owners of the Series 2002E Bonds shall be able to obtain certificated Series 2002E Bonds.

(h) Notices. In connection with any notice of redemption provided in accordance with Section 405 of the Master Indenture and this Third Supplemental Indenture, notice of such redemption shall also be sent by the Trustee by first class mail, overnight delivery service or other secure overnight means, postage prepaid, to each Rating Agency and to at least two (2) of the national Information Services (described below) that disseminate securities redemption notices, in each case not later than the mailing of notice required by the Indenture.

Information Services include: Financial Information, Inc. “Daily Called Bond Service,” 30 Montgomery Street, 10th Floor, Jersey City, New Jersey, 07302, Attention: Editor; Kenny Information Services, “Called Bond Service,” 65 Broadway,

16th Floor, New York, New York 10004; Mergent, 60 Madison Avenue, 6th Floor, New York, New York 10010, Attention: Municipal News Reports; and Standard and Poor's Ratings Group "Called Bond Record," 55 Water Street, New York, New York 10004; or, in accordance with then current guidelines of the Securities and Exchange Commission, such other addresses and/or such other services providing information with respect to called bonds, or any other such services as the Department may designate in writing to the Trustee and the Registrar.

2.05. Form of Series 2002E Bonds and Registrar's Certificate of Authentication. Subject to the provisions of the Master Indenture, the form of the Series 2002E Bonds, form of assignment, and the Registrar's Certificate of Authentication shall be in substantially the form set forth in **Appendix A** hereto, with necessary or appropriate variations, omissions and insertions as are incidental to their series, numbers, denominations, maturities, interest rate or rates, registration provisions, redemption provisions, status of interest to owners thereof for federal income tax purposes, and other details thereof and of their form or as are otherwise permitted or required by law or by the Indenture, including this Third Supplemental Indenture. Any portion of the text of any Series 2002E Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Bond. Series 2002E Bonds may be typewritten, printed, engraved, lithographed or otherwise reproduced.

This Bond is one of a duly authorized issue of bonds of the Department designated as its "Bonds" issued and to be issued in various series under and pursuant to Division 27 (commencing with Section 80000) of the California Water Code, as amended (the "Act"), and under and pursuant to a Trust Indenture dated as of October 1, 2002, as amended (the "Master Indenture"), among the Department, the Treasurer of the State of California, as Trustee (including its successors, the "Trustee"), and U.S. Bank, N.A., as Co-Trustee (including its successors, the "Co-Trustee"), authorizing and securing the Department's Power Supply Revenue Bonds, and a Third Supplemental Trust Indenture dated as of November 1, 2002 (the "Third Supplemental Indenture") among the Department, the Trustee and the Co-Trustee. The Master Indenture and the Third Supplemental Indenture, as the same may be amended, are herein collectively called the "Indenture". Capitalized terms used herein and not otherwise defined herein shall have the meanings provided in the Indenture.

This Bond is one of a series of Bonds of various maturities designated as "Power Supply Revenue Bonds, Series 2002E (Federally Taxable)" (the "Series 2002E Bonds") issued in the aggregate principal amount of \$717,000,000 under the Indenture. Copies of the Indenture are on file at the office of the Department and at the offices of the Trustee and Co-Trustee designated for such purpose. The Trustee is also the initial Registrar and initial Paying Agent for the Series 2002E Bonds. The Department may appoint additional or different Paying Agents and a different Registrar for the Series 2002E Bonds as provided in the Indenture and, if so, references herein to the Paying Agent and Registrar shall be deemed also to include such additional Paying Agents or Registrar, as the case may be.

The Bonds are payable as to principal, Redemption Price, and interest solely from and are equally and ratably secured solely by the Trust Estate, subject to the provisions of the Indenture permitting the application of such Trust Estate to the purposes and on the terms and conditions set forth in the Indenture, including, without limitation, the prior application of Power Charge Revenues to the payment of Operating Expenses, the prior application of Bond Charge Revenues to the payment of Priority Contract Costs, Outstanding Notes and related costs of the Department, and the application of Bond Charge Revenues to the payment of certain costs on a parity with the Bonds. The principal and Redemption Price of and interest on the Bonds shall not be payable from the general funds of the Department nor shall the Bonds constitute a legal or equitable pledge, charge, lien or encumbrance upon any of the property or upon any of the income, receipts or revenues of the Department, except the Trust Estate.

Reference is hereby made to the Indenture, and to all of the provisions of which any holder of this Series 2002E Bond by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the pledge and covenants securing the Bonds, including this Series 2002E Bond; the Revenues and other

moneys and securities constituting the Trust Estate pledged to the payment of the principal of and interest on the Bonds issued; the nature and extent and manner of enforcement of the pledge thereunder; the conditions upon which the Indenture may be amended or supplemented with or without the consent of the Owners of the Bonds; the rights and remedies of the Owner hereof with respect hereto and thereto, including the limitations therein contained upon the right of an Owner hereof to institute any suit, action or proceeding in equity or at law with respect hereto and thereto; the rights, duties and obligations of the Department, the Trustee and the Co-Trustee hereunder and thereunder; the terms and provisions upon which the pledges and covenants made therein may be discharged at or prior to the maturity or redemption of this Series 2002E Bond, and the Series 2002E Bond thereafter no longer be secured by the Indenture or be deemed to be Outstanding thereunder, if moneys or certain specified securities shall have been deposited with the Trustee or Paying Agent sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

As provided in the Indenture, Bonds may be issued from time to time pursuant to Supplemental Indentures in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as provided in the Indenture. The aggregate principal amount of Bonds which may be issued under the Indenture is not limited except as provided in the Indenture, and all Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Indenture.

This Series 2002E Bond is transferable, as provided in the Indenture, only upon the books of registry of the Department kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person, or by his attorney duly authorized in writing, upon surrender of the Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney, and thereupon a new registered Series 2002E Bond or Bonds, and in the same aggregate principal amount, Series, maturity and interest rate shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The Department and each Fiduciary may deem and treat the Person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof and interest due hereon and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Department nor any Fiduciary shall be affected by any notice to the contrary.

Series 2002E Bonds are not subject to redemption prior to their respective maturities at the option of the Department.

THE PRINCIPAL OF THE SERIES 2002E BONDS MAY NOT BE DECLARED DUE AND PAYABLE BEFORE THE MATURITY THEREOF AS A RESULT OF AN EVENT OF DEFAULT UNDER THE INDENTURE.

The Act provides that neither the person executing the determination to issue Bonds nor any person executing the Series 2002E Bonds shall be personally liable or be subject to any personal liability or accountability by reason of the issuance thereof.

Pursuant to Section 80200(e) of the California Water Code, the Department, as agent for the State of California, does hereby pledge to and agree with the holder of this Bond that while this Bond remains outstanding and not fully performed or discharged, the rights, powers, duties and existence of the Department and the California Public Utilities Commission shall not be diminished or impaired in any manner that will affect adversely the interests or rights of the holders of this Bond.

Neither the faith and credit nor the taxing power of the State of California or any political subdivision thereof is pledged to the payment of the principal of or interest on this Bond.

It is hereby certified and recited that all conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, exist, have happened and have been performed and that the issuance of the Series 2002E Bonds, together with all other indebtedness of the Department, is within every debt and other limit prescribed by the laws of the State of California.

This Bond shall not be entitled to any benefit under the Indenture or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the execution by the Registrar of the Registrar's Certificate of Authentication hereon.
